Dear Parents,

I hope this email finds you safe and well.

Further to Mr. Darren's Primary Welcome Letter that you received recently, I would like to provide you with some information and useful links for how to get started on Class Dojo.

Class Dojo is a classroom management and communication tool used in Primary School that provides an easy way for you to stay connected to your child and their teachers throughout the school day.

Class Dojo is accessible through the web or via an App on your phone. When creating your account, it is best to do so via a web browser. Instructions on how to create the account can be found at the following URL…

https://classdojo.zendesk.com/hc/en-us/articles/205417305-Create-a-Parent-Account#web

On Tuesday you will receive an e-mail invitation to join your child's class. Simply click on the link in the e-mail and accept the invitation via your web browser. After this you can access via web or app.

To download the app for your mobile devices please click the appropriate link below…

Apple: https://apps.apple.com/us/app/classdojo/id552602056
Android: https://www.classdojo.com/android/

The helpdesk at https://classdojo.zendesk.com/ is an immensely useful place if you have any questions however, please feel free to contact me at spencerc@sultansschool.edu.om if you have any problems at all setting up Class Dojo. Once you are setup you will also be able to message all your child's teachers through Class Dojo itself.

Thank you and regards,
Mr. Spencer Curtis
