

KG1 Block 2 Key Objectives

These are the Key Objectives we have identified for Block 2. Block 2 starts on Sunday 23rd October and runs for 7 weeks until Thursday 8th December. Teachers will be working with your child to help them to achieve these, along with a broader range of skills within this period of work. The teachers will then assess the children against these key objectives and grade them on the IB 1-7 scale. Please read through the objectives with your child and help them to understand what we want them to achieve. We greatly value your support!
