

## KG2 Block 3 Key Objectives

These are the Key Objectives we have identified for Block 3. Block 3 starts on Sunday 11<sup>th</sup> December and runs for 7 weeks until Thursday 9<sup>th</sup> February. Teachers will be working with your child to help them to achieve these, along with a broader range of skills within this period of work. The teachers will then assess the children against these key objectives and grade them on the IB 1-7 scale. Please read through the objectives with your child and help them to understand what we want them to achieve. We greatly value your support!
