

TSS Primary Art MTP 2022-2023

Year 1 Block 4 – Shape in Art and Maths

Key Targets and Learning Objectives	Key Activities	Artist	Key Vocabulary
<p>Create an abstract paper collage using shape, knowing that shapes can be split into two equal or unequal parts.</p> <p>Identify and describe 2D shapes and create an abstract geometric drawing using oil pastels.</p> <p>Use the language of comparison and construct 2D and 3D shapes using a range of art media.</p> <p>Identify and describe 3D shapes and create a sculpture using recycled materials.</p> <p>Know the difference between 2D and 3D shapes and create a clay sculpture using these shapes.</p> <p>Apply knowledge of oil pastel, collage and sculpture techniques taught to create a mixed media sculpture of 2D and 3D shapes.</p>	<p>A cross curricular approach will be taken in this block to meet both Art and Maths objectives.</p> <p>The children will look at the work of artists who have used 2D shape in their work and identify and describe the shapes they can see. They will discuss shapes using the language of comparison and learn to draw 2D shapes.</p> <p>Having traced around and drawn their own shapes they will make a 2D shape mixed media piece of work using elements of collage, oil pastel and drawing ink techniques in the style of the artist Sonia Delauney.</p> <p>Children will move on to look at naming and identifying, describing of 3D shapes. They will learn basic clay techniques so that they are able to construct a sculpture that models 3D shapes.</p> <p>The children will then learn how 2D shapes can be rotated and use this knowledge to create a sand mandala.</p> <p>Finally the children will apply their learning to create a mixed media sculpture using 2D and 3D shapes.</p>	<p>Sonia Delauney</p> <p>Wassily Kandinsky</p> <p>Indian Mandala Art</p>	<p>2D shapes</p> <p>3D shapes</p> <p>Shape names (2D and 3D)</p> <p>Paper collage</p> <p>Geometric</p> <p>Compare</p> <p>Sculpture</p> <p>Clay</p> <p>Techniques</p> <p>Join</p> <p>Rotate</p> <p>Oil pastel</p> <p>Faces</p> <p>Corners</p> <p>Edges</p> <p>Whole</p> <p>Half</p> <p>(un)equal</p>
