

## TSS Primary Art MTP 2022 - 2023 Year 6 Block 4 - F1 Ethara Project

Key Targets and Learning Objectives	Key Activities	Artist	Key Vocabulary
<p>Understand the meaning of car livery and present initial design ideas to the class.</p> <p>Create a livery design for a formula 1 car using felt tips.</p> <p>Create a first initial design for a logo and a name for their F1 team.</p> <p>Know how to give constructive criticism to class peers for design feedback.</p> <p>Demonstrate design development in reference to peer assessment about their initial logo design.</p> <p>Produce a final design for their F1 team logo.</p> <p>Understand and apply a colour scheme for the F1 team - including uniform, car and presentation board design.</p> <p>Demonstrate visual consistency within a T shirt design for the F1 team, keeping to the final chosen design using fabric markers.</p> <p>Understand the importance of good layout, fonts, titles, subtitles, team name/logo etc within their F1 presentation board.</p>	<p>Students will be participating in the cross curricular F1 Ethara project this term. The outcome of the project is to produce small-scale model race cars made from paper and in art the focus will be upon design and manufacture of the race car.</p> <p>The students will create a livery and logo design for their formula 1 car using felt tips. They will refine these designs in response to peer and teacher feedback. They will then produce an improved final design for their F1 team logo. The next step will involve applying a colour scheme for the F1 team's uniform, car and presentation board design. They will design a T shirt design for the F1 team, keeping to the final chosen design using fabric markers. Students will produce a presentation board for the F1 Ethara project and assemble it in keeping with their team's visual identity. They will present their designs and share their work with their peers in preparation for the Ethara Race Day.</p>	<p>No specific artists to be used in block 3 as the cross curricula F1 Ethara project is mostly design based class work.</p>	<p>F1 Ethara Livery STEAM isometric view side view top view logo graphic design model making construction design development evaluation peer feedback</p>

## TSS Primary Art MTP 2022 - 2023 Year 6 Block 4 - F1 Ethara Project

Present a final presentation board for the F1 Ethara project, laid out and assembled in keeping with their team's visual identity.

Learn how to create a pattern template to use as a stencil.

Create a range of printed patterns to act as the background for an artwork.
