

## TSS Primary Art and Design MTP 2022-2023 Year 6 Block 5 – Design and Technology in Art

Key Targets and Learning Objectives	Key Activities	Artist	Key Vocabulary
<ul style="list-style-type: none"><li>• Investigate materials and techniques then plan and design a coat of arms using design methods.</li><li>• Know how to improve a design and give feedback to peers.</li><li>• Know how to create a Street-Art-inspired name tag.</li><li>• Design a Street-Art-inspired name tag.</li><li>• Know the features of the artist Keith Haring's art work.</li><li>• Design a 'motivational quote' in the Street Art style.</li><li>• Use graphic design software to develop a final motivational quote.</li><li>• Know how to create a Street Art icon in the style of an artist</li></ul>	<p>In this block students will learn how elements of Design and Technology can be implemented within art to help the design and construction process.</p> <p>In the first two lessons of the block students will explore materials, then design a coat of arms for a competition. The students will visit the DT workshop and see how their work can be developed into a wooden coat of arms.</p> <p>The next theme will be DT in Street Art. The students will create a range of Street Art using a range of techniques and following the design proforma. These projects will include: creating a name tag, motivational art and an icon. These will be inspired by learning about the artwork of Keith Haring.</p>	<p>Keith Haring</p> <p>A range of street artists</p>	<p>Design</p> <p>Technology</p> <p>Plan</p> <p>Street Art</p> <p>Motivational quote</p> <p>Technique</p> <p>Icon</p> <p>Name tag</p>
