

## TSS Primary Art MTP 2023-2024 KG2 Block 1 - Line

Key Targets and Learning Objectives	Key Activities	Artist	Key Vocabulary
<p>Know how to position body parts to create a character from your imagination.</p> <p>Know the language of line.</p> <p>Experiment with pencil to create a range of line.</p> <p>Experiment with a range of pens to create a range of line.</p> <p>Experiment with drawing ink to make a range of line.</p> <p>Experiment with paint to make a range of line.</p> <p>Know how to use paper to make a line sculpture.</p>	<p>As a hook activity and a 'getting to know you' activity, the children will start the block by creating their own self portrait superheroes. This will involve them in learning to position the body parts so they can fill their page. They will choose the characteristics of their character and colour using marker and pen.</p> <p>The remainder of the unit will focus upon line as a key element of art and a basis for all their work to follow. They will talk about the language of line and develop different hand grips and techniques for using the range of materials presented to them. They will create art pieces which apply their new skills.</p> <p>The final lesson will be combining their new learning to create a 3D paper sculpture and using folding techniques.</p> <p>Children will discuss and evaluate their learning.</p>	<p>Van Gogh Kandinsky</p>	<p>Line List of types of line, eg: wavy, straight curved etc</p> <p>Sculpture</p> <p>Fold Hard Soft Pressure grip</p>
