

TSS Primary Art MTP 2023-2024 Year 4 Block 1 - Line

Key Targets and Learning Objectives	Key Activities	Artist	Key Vocabulary
<p>Demonstrate a range of different line drawing techniques and patterns.</p> <p>Create 3D shape from a traced 2D template.</p> <p>Understand cool and warm colours and how to apply to own artwork.</p> <p>Develop drawing techniques for creating 3D objects from 2D drawings.</p> <p>Know how to mix primary colours to make secondary colours.</p> <p>Create and combine shapes to create recognisable forms.</p> <p>Create a final artwork inspired by Artist 'Ray Besserdin' .</p>	<p>Year 4 students will explore the formal elements of art, focusing on line, tone, texture, shape, form, color, and pattern.</p> <p>They will apply these elements while experimenting with various paper techniques and materials to create engaging compositions. This exploration will include a study of artists like Peter Callesen, Helen Musselwhite, Yulia Brodskaya, and Ray Besserdin.</p> <p>Additionally, students will be introduced to Wassily Kandinsky's abstract art, and using geometric shapes and color, they will work with mixed media to create both 2D and 3D art.</p> <p>Throughout this block students' objectives encompass further development of these formal elements, the refinement of artistic techniques, evaluating, replicating artwork and reflecting on their own progress.</p> <p>Students will create and complete a clay tile inspired by Kandinsky's work, providing a hands on opportunity to practice the critical skills of evaluating and modifying their creations.</p>	<p>Peter Callesen, Helen Musselwhite, Yulia Brodskaya, Ray Besserdin</p>	<p>Pattern Tone Line Texture Shape Solid Sculpture Slip Tone Mix Primary Colours Secondary Colours Composition</p>
