

KG1 Block 1 Key Objectives

These are the Key Objectives we have identified for Block 1. Block 1 starts on Sunday 3rd September and runs for 7 weeks until Thursday 19th October. Teachers will be working with your child to help them to achieve these, along with a broader range of skills within this period of work. The teachers will then assess the children against these key objectives and grade them on the IB 1-7 scale. Please read through the objectives with your child and help them to understand what we want them to achieve. We greatly value your support!
