<ul style="list-style-type: none"><li>• Know how to use the painting equipment correctly and apply this in a painting.</li><li>• Know how to make a range of brushstrokes when painting.</li><li>• Use a range of tools while painting, such as hands, brushes, rollers and stamps.</li><li>• Know the primary and secondary colour and why they are important.</li><li>• Be able to mix paints to create the primary and secondary colours.</li><li>• Be able to mix paints to create a mixing chart.</li><li>• Apply knowledge of skills learnt in a piece of art.</li></ul>	<p>Children will continue looking at basic skills in Art and Design in this unit on painting. They will learn about how to set up, prepare use and tidy away the equipment of painting correctly and effectively. They will discuss the key vocabulary of painting and experiment with a range of painting tools and types of paint. They will explore making a range of brushstrokes and naming these. They will then turn their attention to revising and mixing the primary colours and understanding the key concepts regarding these. Once they are confident with this they will explore creating a larger colour palette by using tints and shades of a colour and creating their own colour palettes. They will look at how artists have employed these techniques in their work.</p> <p>Finally the children will create a piece of art that incorporates all of the elements taught.</p>	Mondrian Van Gogh	Brushstrokes Thick Thin Dashed Tints Shades Lighter Darker Colour Mixing chart
