

TSS Primary Art MTP 2022-2023

Year 3 Block 2 – African Masks and 3D

Key Targets and Learning Objectives	Key Activities	Artist	Key Vocabulary
<ul style="list-style-type: none">• Research a theme and know some of the features of that theme.• Create a design making decisions about materials and techniques.• Explore a range of paper sculpture techniques and choose methods for your own artwork.• Apply techniques learnt to create own artwork.• Use papier mache techniques to add texture to own artwork.• Decorate artwork using paint layering techniques and pattern.• Evaluate and discuss the design process and finished artwork.	<p>Children will investigate the characteristics of African masks and learn about their features. They will then be set the overall project task of designing an African mask. They will learn different techniques for building up paper to create their masks and, having done this they will design their mask incorporating these techniques. Once their mask is prepared in cardboard, the children will learn papier mache techniques and apply these onto their mask. They will then look at painting and embellishing the finished masks. Finally children will evaluate their work.</p>	<p>A range of traditional African masks.</p>	<p>Paper sculpture methods Relief Pop up Fold Newspaper Paper strip Symmetry Apply Layer Texture form</p>
